

REMARKS/ARGUMENTS

Favorable consideration of this application is respectfully requested. Applicant has canceled claims 1, 2, 4, 5, 8 and 14, and left only method claims 15, 19 and 20. Favorable reconsideration of this application is, consequently, earnestly solicited in view of the following remarks.

The rejection of claims 1-5 and 8 as anticipated by Harwood is now moot since these claims have all been canceled.

The rejection of claim 14 over Harwood in view of Diwan is now moot since this claim has also been canceled.

Applicant requests that a new notice of allowance be given in this case, and that ALL FEES previously submitted for the earlier notice of allowance be applied toward payment of the issue fees on the new notice of allowance

In view of the foregoing considerations, it is respectfully urged that claims 15, 19 and 20 be allowed. Such action is respectfully requested. If the Examiner believes that an interview would be helpful, the Examiner is requested to contact the attorney at the below listed number.

Respectfully Submitted;
